Re: Milwaukee Electric Tool, Corporation v Maersk A/S
Case No. 1:24-cv-01911
Letter Request for Extension of Time

Dear Judge Furman -

Plaintiff Milwaukee Electric Tool, Corporation (hereinafter "Plaintiff") and Defendant Maersk A/S (hereinafter "Defendant") provide the following letter motion request for an extension of time to provide the Court with a Joint Pretrial Order and further status report. Counsel for Plaintiff was unable to attend his office today, January 21, 2025 due to inclement winter weather in Houston, Texas from Winter Storm Enzo. In addition, counsel is required to attend pre-set arbitration hearings on Wednesday and Thursday of this week. Accordingly, after consultation with counsel for Defendant, the parties respectfully request a further adjournment of the deadline to submit pretrial order submission to Friday, January 24, 2025. Furthermore, following a series of communications and good faith negotiations last week, updated attorney recommendations for resolution have been submitted to the respective principals and counsel are awaiting instructions in response.

We thank the Court for its time, consideration, and attention to this matter.

Respectfully submitted,

CHALOS & CO, P.C.
